Bali Ha'i

Peter Cincotti

Bali Ha'i may call you
Any night and any day
In your heart you'll hear it call you
Come away, come awayBali Ha'i will whisper
On the winds of the sea
Here am I your special island
Come to me, come to meYour own special hopes
Your own special dreams
Bloom on the hillside
And they shine in the streamsIf you try you'll find me
Where the sky meets the sea
Here am I your special island
Come to me, come to meYour own special hopes
Your own special dreams
Bloom on the hillside
And they shine in the streamsIf you try you'll find me
Where the sky meets the sea
Here am I your special island
Come to me, come to me
Come to me, come to me
