## Ozzy Osbourne

Now I'll find peace of mind  
Finally found a way of thinking  
Tried the rest found the best  
Stormy day won't see me sinking  
I can't conceal it like I know I did before  
I got to tell you now the ship is ready  
Waiting on the shore.  
Dare to look face the test on the eve  
When you set sailing  
What you've learned what you've earned  
Ship of joy will stop you failing.  
I can't conceal it like I know I did before

I got to tell you now the ship is ready  
Waiting on the shore.  
Wind is high so am I  
As the shore sinks in the distance.  
Dreams unfold seek the gold.  
Gold that's brighter than sunlight.  
Sail away see the day  
Dawning on a new horizon  
Gold's insight shining bright  
Brighter than the sun that's rising.  
3000 sails on high are straining in the wind  
A raging sea below is this voyage coming to an end.
