Hashtag

Lyrica Anderson

Hashtag that shit put it out there Say what you feel, let the world know what it is
Hashtag that shit, yeah, put it out there
Let 'em know that your sprung, I'm the one yea one in a mil Hash tag
let 'em know, let 'em know
Hash tag let 'em know, let 'em knowLet 'em know, let 'em know how you feel
Let 'em know, let 'em know how got that trill
Trampoline, trampoline got you sprung
And you let me cum first when I give you some
Ain't no need, in sit here telling lies
Baby you know, you're my private test
So Hashtag that shit put it out there Say what you feel, let the world know what it is
Hashtag that shit, yeah, put it out there
Let 'em know that your sprung, I'm the one yea one in a mil Hash tag
let 'em know
Hash tag let 'em know, let 'em knowWhen you wanted you can get it
pound sign, we can star six nine
In the bed, or the kitchen
Anywhere in the nick of time
Let's be honest boy I get it, I know you like hiding your bussiness
That's why I'm fucking with you
But boy don't be hiding your feelings
Turn that bottle to the ceiling
Turn that bottle to the ceiling
Just one sip for me and you know I'm feeling yeah One kiss for me and it's on I admitted
If you'll tell me lies, swear it will finish
Let 'em know, let 'em know
Hashtag that shit put it out there Say what you feel, let the world know what it is
Hashtag that shit put it out there
Let 'em know that your sprung, I'm the one yea one in a mil Hashtag
let 'em know
Hash tag let 'em know, let 'em know
