

Kiss the Girl

Ashley Tisdale

There you see her
Sitting there across the way
She don't got alot to say
But there's something about herAnd you don't know why
But you're dying to try
You wanna kiss the girlYes, you want her
Look at her, you know you do
It's possible she wants you too
There's one way to ask herYou don't take a word, not a single word
Go on and kiss the girl, kiss the girlSha la la la la la
My oh my
Looks like the boy's too shy
Ain't gonna kiss the girlSha la la la la la
Ain't that sad
It's such a shame, too badYou're gonna miss the girl
Go on and kiss the girl, kiss the girlNow's your moment
Floating in a blue lagoon
Boy, you better do it soon
No time will be betterShe don't say a word
And she won't say a word
Until you kiss that girl, kiss the girlSha la la la la la la
My oh my
Looks like the boy's too shy
Ain't gonna kiss the girl
Sha la la la la laAin't that sad
It's such a shame, too bad
You're gonna miss the girlSha la la la la la la
Don't be scared
You better be prepared
Go on and kiss the girlSha la la la la la la
Don't stop now
Don't try to hide itHow you wanna kiss the girl
Go on and kiss the girl, kiss the girlOh, kiss the girl, kiss the girl
La la la la, la la la la
Go on and kiss the girl
La la la la, la la la la
Go on and kiss the girlSha la la la la la la
My oh my
Looks like the boy's too shy

Ain't gonna kiss the girlSha la la la la la
Ain't that sad
It's such a shame
Too bad, you're gonna miss the girlLa la la la, La la la la
Go on and kiss the girl
Go on and kiss that girl!La la la la, La la la la
Go on and kiss the girl
Go on and kiss the girlKiss the girl
Kiss the girl
Go on and kiss the girl!
