Memory's Garden

Trouble

Should you go first and I remain?
One thing I'd have to do
Walk slowly towards your door
Soon I will follow youWill I dream of good times?
Only love in our minds
Will I dream of making love?
Always knew that it was enoughShe's gone to live in memory's gardenI'll want to know each step you take
So I can walk the same
Someday down that lonely road
You'll hear me call your nameWill I dream of good times?
Only love in our minds
Will I dream of making love?
Always knew that it was enoughShe's gone to live in memory's gardenTraveled along so many roads
Must have tried everyone
Today we show new directions
Ones we've never seen beforeWill I dream of good times?
Only love in our minds
Will I dream of making love?
Always knew that it was enoughShe's gone to live in memory's garden
