

# Hot Show

Prozzak

Hot Show  
She's my technicolor disco  
Yo, yo  
Ya we're gonna make a video  
She'll keep it on the down-low  
Dig It  
Hot show  
You look beautiful in slow-mo  
Quid Pro Quo  
Cause she's my sexy queen of Soho  
And the reason that I come and go  
From Brooklyn to Manhattan  
You're the one  
Who makes me hum

Every time I see ya girl  
I get to feeling sorta down  
And kinda out  
Like you'll never be mine  
And you and I could be so crazy  
Like a crazy roller coaster ride  
Let me in 'cause  
I'm out of my mind

Hot show  
I didn't know that you go stereo  
Yo, yo  
Meet me at the local Ho-Jo  
Drop that good for nothing zero  
And come into my life  
Forever more my little
