

Dum Diddly

Black Eyed Peas

Na na na

Na na na

Na na na

You know the music make me jump and prance

The BEP's we keep you rocking audience

Give them the music, make them jump and prance

Dum diddley dum dum diddley dum dum diddley

Dum dum diddley diddley

You know the music make me jump and prance

The BEP's we keep you rocking audience

Pass it, pass it, jump and prance

Dum diddley dum dum diddley dum dum diddley

Dum dum diddley diddley

Bring on the rhythm, bring on the drums

The Rim Shot's sound like someone gunned

Blup! Blup! There go your ear drum

So raise the volume to the maximum

Base booming bout to make your body feel numb

Pulsation probably penetrate your skeleton

This little diddley definitely demonstrates some

Dum diddley dum so dance to the drums

Don't hurt yourself, take it easy

There's no better time than right now

So let yourself go, o-eh-o

Watch yourself now, her comes the sound

Don't hurt yourself, take it easy

There's no better time than right now

So let yourself go, o-eh-o

Watch yourself now, her comes the sound

You know the music make me jump and prance

The BEP's we keep you rocking audience

Give them the music, make them jump and prance

Dum diddley dum dum diddley dum dum diddley

Dum dum diddley diddley

You know the music make me jump and prance

The BEP's we keep you rocking audience

Pass it, pass it, jump and prance

Dum diddley dum dum diddley dum dum diddley

Dum dum diddley diddley

Repeating rhy-rhythm in satisfaction

No need for asking, that's what's happening
The blip blip blip, the blah blah blau
If you didn't know me then then you'll never know me now
This the Apl.De.Ap, the Filipino Ap
If you don't know my style then let me show you how
Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound
Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound
