

# I Got Kinda Lost

Chris Bell

Whatever it is you're thinking  
Sit down and let's give it a try  
You know that I'll always listen  
But sometimes I'm wondering why  
You don't lie to me  
And I wouldn't lie to you, oh no  
Baby I'm feeling lost  
I don't know what I'm going to do  
You don't know what you're putting me through  
I gotta get away from you  
Once in a while you're lonely  
Tell me if needed a friend  
I'm wondering what is the matter  
But you say that you can't explain  
But you don't lie to me  
And I wouldn't lie to you, oh no  
But baby I'm feeling lost  
I don't know what I'm going through  
You don't know what you're putting me through  
I gotta get away from you  
Do you want me  
I want you  
You don't want me,  
I want you  
Don't you know I'm losing sleep at night  
Sleep at night  
I don't know what I'm going to do  
You don't know what you're putting me through  
I gotta get away from you  
Whatever it is you're thinking  
Sit down and let's give it a try  
You know that I'll always listen  
But sometimes I'm wondering why  
You don't lie to me  
And I wouldn't lie to you, oh no  
But baby I'm feeling lost  
I don't know what I'm going to do  
You don't know what you're putting me through  
I gotta get away from you
