Police Car

Cockney Rejects

I like punk and i like sham
I got nicked over at west ham!
I'm a fool i guess its true
For all i know, I'll be in the back with you!
In a Police Car! Police Car! Police Car! Police Car!
Police come in one hour later.
They've been looking for a guy named Freddy Jesper
Show me my freedom, they know i lie
For all we knew, we were going for a ride.
In the back of a Police Car! Police Car! Police Car! Police Car!
