

Love Scene (Ooh Baby)

Janet Jackson

Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby Lying here, I imagine you with me
On this rainy night
I feel your touch as your hands move slowly
Up my thighs You taste the honey, they begin to pour it slowly
Wherever you desire
To feel you play with my body this way
Makes me say Ooh baby, ooh baby
Ooh baby, ooh baby
When you are touching me
Ooh baby, ooh baby
Ooh baby, ooh baby Whispered words, fantasies in my ear
You know this I like
Just tell me how, when and where you want me and
I'll be there Ooh baby, ooh baby
Ooh baby, ooh baby
When you are holding me
Ooh baby, ooh baby
Ooh baby, ooh baby Ooh baby, ooh baby
Ooh baby, ooh baby
When you're loving me
Ooh baby, ooh baby
When you're fucking me
Ooh baby, ooh baby Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
Ooh baby, ooh baby
