

# Buckethead's Chamber of Horrors

## Buckethead

"Hey-hey-hey, Onions.  
You, you-you-you got some white locks for my shrunken head?  
N-nh-n-nh-n-no?  
Oh, god...  
Eh-B-Bootsy, yhh-you got everything,  
my shrunken head nn-needs some white locks.  
Egh-cgh-can ya help me?  
Uh-agh-I'm slipping in to a cacophony of doom-filled sorrow.  
Eh-eh-eh-I guess I'll h-have to settle for albino pin worms instead.  
Heh-eh-erj-ehp-mm-may-may-maybe  
I-I-I could special order them from a fully-deluxe novelty outlet negh-in Cleveland.  
Eh-I should've stuck to raising jellied spiders."(Music)"Heeuraaaugh..."  
(Music)"Rroaaarr..."  
(Music)  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
