

# Perfect People

Onry Ozzborn

Never let Him see you when you're breaking  
And never let Him see you when you fall  
That's how we live  
And that's how we try  
Tell the world you've got it all together  
And never let him see what's underneath  
We cover it up with a crooked smile  
But it only lasts for a little while  
There's no such thing as perfect people  
There's no such thing as a perfect life  
So come as you are, broken and scarred  
Lift up your heart and be amazed  
And be changed by a perfect God, yeah  
Suddenly it's like a weight is lifted  
When you hear the words that you are loved  
He knows where you are and where you've been  
And you never have to go there again, no  
There's no such thing as perfect people  
And there's no such thing as a perfect life  
So come as you are, broken and scarred  
Lift up your heart and be amazed  
And be changed by a perfect God  
Who lived and died to give new life  
To heal our imperfections  
So look up and see love  
And let grace be enough, oh  
There's no such thing as perfect people, yeah  
There's no such thing as a perfect life  
So come as you are, broken and scarred  
Lift up your heart and be amazed  
And be changed by a perfect God  
By a perfect God, yeah  
By a perfect God, yeah  
By a perfect God  
By a perfect God  
Be changed by a perfect God  
Be changed
