

# Don't Confess (This Thing That Breaks My Heart)

## Tegan and Sara

Don't think I'll confess  
Why would I confess that I?  
Don't think I'll deny  
Why would I deny that I? And don't be so hard on yourself  
You won't get better till you're worse  
Yeah, you send a little smile my way Don't be so hard on yourself  
You won't get better till you're worse  
Yeah, you send a little love my way And every second I spend waiting  
Drags me closer to this grave  
I'm not alone, no, I'm just on my own  
And I, it's a little cold outside  
Ooh, ooh, ooh And don't think I'll escape  
Why would I escape you?  
And don't think I'll replace  
How could I replace you? And don't be so hard on yourself  
You won't get better till you're worse  
Yeah, you send a little smile my way And don't be so hard on yourself  
You won't get better till you're worse  
Yeah, you send a little love my way And every second I spend waiting  
Drags me closer to this grave  
I'm not alone, no, I'm just on my own  
And I, it's a little cold outside  
Ooh, ooh, ooh And so don't be so hard on yourself  
You won't get better till you're worse  
Send your love my way
