

The Ark

Gerry Rafferty

See the dark night has come down on us
The world is livin in its dream
But now we know that we can wake up from this sleep
And set out on the journey
Find a ship to take us on the way The time has come to trust that guiding light
And leavin all the rest behind
Well take the road that leads down to the waterside
And set out on the journey
Find a ship to take us on the way And well sail out on the water
Yes, well feel the sea grow
Yes, well meet out on the water
Where all strangers are known If you travel blindly, if you fall
The truth is there to set you free
And when your heart can see just one thing in this life
Well set out on the journey
Find a ship to take us on the way And well sail out on the water
Yes, well feel the sea grow
Yes, well meet out on the water
Where all strangers are known See the dark night has come down on us
The world is livin in its dream
But now we know that we can wake up from this sleep
And set out on the journey
Find a ship to take us on the way And well sail out on the water
Yes, well feel the sea grow
Yes, well meet out on the water
Where all strangers are known
