## The Ark

## **Gerry Rafferty**

See the dark night has come down on us The world is livin in its dream But now we know that we can wake up from this sleep And set out on the journey Find a ship to take us on the wayThe time has come to trust that guiding light And leavin all the rest behind Well take the road that leads down to the waterside And set out on the journey Find a ship to take us on the wayAnd well sail out on the water Yes, well feel the sea grow Yes, well meet out on the water Where all strangers are knownIf you travel blindly, if you fall The truth is there to set you free And when your heart can see just one thing in this life Well set out on the journey Find a ship to take us on the wayAnd well sail out on the water Yes, well feel the sea grow Yes, well meet out on the water Where all strangers are knownSee the dark night has come down on us The world is livin in its dream But now we know that we can wake up from this sleep And set out on the journey Find a ship to take us on the wayAnd well sail out on the water Yes, well feel the sea grow Yes, well meet out on the water
