

Saving Grace

Todd Rundgren

I think I'm gonna love it
I think I'm gonna love it
Because I know someday
Someone else will see it my way
And then I'll know I was not wrong I know they won't believe it
I know they won't believe it
They think that I'm no good
But I will make myself understood
'Cause I believe it all along I think I'm gonna love it
I think I'm gonna love it
I think I'm gonna love it
When they finally see I know they won't believe it
I know they won't believe it
I know they won't believe it
When they finally see
The saving grace in me I know the time is gonna come
When I will mean something to someone
Until that day I'm hanging on I think I'm gonna love it
I think I'm gonna love it
Because I know someday
Someone else will see it my way
And then I'll know I was not wrong I know they won't believe it
I know they won't believe it
They think that I'm no good
But I will make myself understood
'Cause I believe it all along I think I'm gonna love it
I think I'm gonna love it, yeah
I think I'm gonna love it
When they finally see I know they won't believe it
I know they won't believe it
I know they won't believe it
When they finally see
The saving grace in me I think I'm gonna love it
I think I'm gonna love it
I think I'm gonna love it
When they finally see I know they won't believe it
I know they won't believe it
I know they won't believe it
When they finally see

The saving grace in me Know I'm gonna love it
I think I'm gonna love it
When they finally see I know they won't believe it
I know they won't believe it
I know they won't believe it
