Smokin' Out

Project Pat

Smokin' out like chief, wahoo, hoo
Chase it down with the liquor and brew, brew
Pass it 'round, that's the way we do, do
Somebody get this dope 'cause I'm through, through
Roll up a blunt like light up the green
Eyes red as fire, I'm on promethazyne
Roll up another one dipped in the sizzer
Save it for later mane 'cause it wouldn't hizzer
Soon as the thund-ah enters my lungs-ah
I start gettin' hungry where's that bologna
Crackers and cheese Isuzu and whams
Icy white honey bun, ooh there I am
Go an light another one constantly smokin'
Turn up a 45 drankin' and chokin'
Start smokin' weed real young with my peers
So full of dope smoke comin' out my ears
Burnt fingernails ain't made no sales
Y'all might be short an ounce or two on them scales
To hell with that fool go an take a pull
We cheefin' all night and we stay gettin' food
Smokin' out like chief, wahoo, hoo
Chase it down with the liquor and brew, brew
Pass it 'round, that's the way we do, do
Somebody get this dope 'cause I'm through, through
Smokin' out like chief, wahoo, hoo
Chase it down with the liquor and brew, brew
Pass it 'round, that's the way we do, do
Somebody get this dope 'cause I'm through, through
You ask if Lord were a drug a drug
Ay what drug would Lord be, he be
Yo Lord would be a pound of weed
But no stems no sticks no seeds
It's just because I believe-ah
In cannabis se-teev-ah
M I L U N G S, I keep the sticky green-ah
Puffahontis puff a peace pipe ridin' on my peet-ah
What's my favorite flower
It's that marijuana leaf-ah
I keep-ah O the F to O the R to D

I be on the B L the U N T
I brew a cup of shrooms and break down the B A G ah
Purple kush pretty bush Cheech n' Chong in me-ah
I'm the Scarecrow me in the Ville protecting acres
Smokin' tough to bong a swisher leaf just simply papers
Smokin' out like chief, wahoo, hoo
Chase it down with the liquor and brew, brew
Pass it 'round, that's the way we do, do
Somebody get this dope 'cause I'm through, through
Smokin' out like chief, wahoo, hoo
Chase it down with the liquor and brew, brew
Pass it 'round, that's the way we do, do
Somebody get this dope 'cause I'm through, through
