Sorry's Not Good Enough

Mcfly

Good, good, good, good enough
Good, good, good enough
Good, good, good enough
Good, good
I can't stop, I can't stop loving you
You're a dreamer and dreaming's what you do
I won't stop believing that this is the end
There must be another way
'Cause I couldn't handle the thought
Of you going away, woah, yeah
Sorry's not good enough
Why are we breaking up?
'Cause I didn't treat you rough
So please don't go changing
What was I thinking of?
You said you're out of love
Baby, don't call this off
Because sorry's not good enough
Don't stop all those things you do
I'm a dreamer and that's what gets you through
I can't fight this feeling that this is the end
We're in the thick of it, where will this ever end?
Woah, woah
Sorry's not good enough
Why are we breaking up?
'Cause I didn't treat you rough
So please don't go changing
What was I thinking of?
You said you're out of love
Baby, don't call this off
Because sorry's not good enough
Oh, you said you'd never leave me here
Yeah, a whole new reason
Sorry's just not good enough for you

Everybody makes mistakes
And that's just what we do
Good, good, good, good enough
Good, good, good enough

Good, good, good enough
Good, good
Don't go changing
Don't go changing
Don't go changing
Don't go changing
Don't go changing
Don't go changing
Don't go changing
Don't go changing
Don't go changing
(Sorry's not good enough)
Don't go changing
(Sorry's not good enough)
Don't go changing
(Sorry's not good enough)
Don't go changing
Sorry's not good enough
Why are we breaking up?
'Cause I didn't treat you rough
So please don't go changing
What was I thinking of?
You said you're out of love
Baby, don't call this off
Because sorry's not good enough
Sorry's not good enough
Sorry's not good enough
