

Pink Triangle

Weezer

When I'm stable long enough, I'll start to look around for love
See a sweet in floral prints, my mind begins the arrangements
But when I start to feel that pull, turns out I just pulled myself
She would never go with me, were I the last girl on earth I'm dumb, she's a lesbian, I thought I had found the one
We were good as married in my mind but married in my mind's no good
Oh, pink triangle on her sleeve
Let me know the truth, let me know the truth Might have smoked a few in my time but never thought it was a
crime
Knew the day would surely come when I'd chill and settle down
When I think I've found a good old-fashioned girl
Then she put me in my place, everyone's a little queer
Oh, can't she be a little straight? I'm dumb, she's a lesbian, I thought I had found the one
We were good as married in my mind but married in my mind's no good
Oh, pink triangle on her sleeve
Let me know the truth, let me know the truth I'm dumb, she's a lesbian, I thought I had found the one, oh
We were good as married in my mind but married in my mind's no good
Oh, oh, oh, pink triangle on her sleeve
Let me know the truth, let me know the truth I'm dumb, she's a lesbian, I thought I had found the one
Oh, we were good as married in my mind but married in my mind's no good
Oh, pink triangle on her sleeve
Let me know the truth, let me know the truth
Let me know the truth, let me know the truth
