

# Old Man Trouble

[Hans Theessink](#)

Trouble on the water - Trouble on the land  
Old man trouble makes his home  
Where he can find a troubled man  
Trouble - oh trouble  
Trouble on my trail  
That son of a gun's got me on the run  
Old man trouble on my trail  
Midnight at the crossroads  
Standing by the highway side  
Headlights zooming in from the distance  
I'm trying to flag a ride  
Gotta make it back to the Delta  
The place where the blues was born  
But nobody wants to take a troubled man  
On his lonely journey home  
Trouble - oh trouble...It's the darkest night I've ever seen  
Someone tall must have turned off the light  
Trouble's my only companion  
Feel like hangin' down my head and cry  
I thought I heard Blind Willie Johnson sing  
What is the soul of a man  
Get down on your bended knees my brother  
One day you will understand  
Trouble - oh trouble...Trouble on the water - Trouble on the land  
Old man trouble makes his home  
Where he can find a troubled man
