

Perfect Day (Live from Santiago 2012)

Roxette

Breathe some faith into my chest.
Lay me down, I need the rest.
Ever since the sky turned grey
I've waited for the perfect day
Hey now, it seems you've always touched me like the sun.
There's no escape for the broken-hearted, there's no return once you've lost
your way.
I say a prayer now our love's departed that you'll come back to stay and bring
the perfect day
Blinded by a crazy light I fell into the darkest night.
Those magic ties, the two of us, I couldn't see it turn to dust
Hey now, it seems you've always reached me like the sun.
There's no escape for the broken-hearted, there's no escape once you've lost
your way.
I say a prayer now your love's departed that you'll come back to stay.
Bring back the perfect day.
