Music and Lights

Imagination

Music and lights - music and lights.
Forget your sorrow
let it all fade away.
Forget tomorrow
let's start living for today.
Let me take you through a night of ecstasy
I like to hear the sound of a mystic melody.
In the spotlight with the music playing loudNo distraction together we have found.
Let me show you all the glamour and the gold
Secret fantasies in a show biz world.
Music and lights - I'll sing and dance for you all nightSequins and pearls and lots of pretty girlsYou got to have rhythm.
When ever you're dancing and you glide across the floorYour heart is singing and they're calling out for moreLet me take you through a night of ecstasyI like to hear the sound of a mystic melody.
Music and lights - I'll sing and dance for you all night
. . .
Music and lights - I'll sing and dance for you all nightSequins and pearls and lots of pretty girls.
Give me rhythm.
Forget your sorrow
let it all fade away.
Forget tomorrow
let's start living for todayLet me show you all the glamour and the goldSecret fantasies in a show biz world.
Music and lights - I'll sing and dance for you all nightMusic and lights - I'll sing and dance for you all 'ghtSequins and pearls and lots of pretty girls.
Give me rhythm. - Give me -
Music and lights - I'll sing and dance for you all night
. . .
