As I Am

Ebrahim

Verse
If you took a look at me now
I know you may not see too much
No fancy occupation name
Or the time for Sunday brunch
See the life I live is quite simple
Cuz all that complex stuff
Gets in the way of what Iâ€™m trying to do
And thatâ€™s give you my love
So if youâ€¦

Chorus
Take me as I am
And let your heart find its
Way to me
See Iâ€™ll be all that you need
Oh if you take me as I am
You know I want to share my world with you
And Iâ€™ll give my love thatâ€™s true

Verse
Now everyday your love inspires me
You keep striving for the better things
So one day we can live all comfortably
I see it in your eyes
But donâ€™t worry no more
I may not have it all planned
But I can see what the future holds

Chorus
Take me as I am
And let your heart find its
Way to me
See Iâ€™ll be all that you need
Oh if you take me as I am
You know I want to share my world with you
And Iâ€™ll give my love thatâ€™s true

Bridge
Now maybe we can

Go to a far off place
Where our dreams can come true
Theyâ€™ll belong to me and you
And all I ever ask of you
Is to join me on this journey
To a better life for me and you

Chorus
Take me as I am
And let your heart find its
Way to me
See Iâ€™ll be all that you need
Oh if you take me as I am
You know I want to share my world with you
And Iâ€™ll give my love thatâ€™s true
