Dancing With Mr. Daddy

Catman Cohen

Doesnt dress like Generation Y
Doesnt rap like Generation Z
With his air of experience
Young girls call him...Mr. DaddyPierce him with your love, baby
Tattoo him with your heart
Show him how to feel young again
Give him back his sparkCould have wrapped you in diapers, girl
Powdered your sweet smooth ass
Pushed you on a swing
Watched you somersault on the grassPierce him with your love, baby
Tattoo him with your heart
Show him how to feel young again
Give him back his sparkWhen you danced at your school prom
Just starting out in life
Mr. Daddy paid support
To his very first ex-wifePierce him with your love, baby
Tattoo him with your heart
Show him how to feel young again
Give him back his sparkNothing like the smell of a sweet flower bud
Nothing like the taste of a baby in love
Nothing like the touch of a young angels face
Baby, take him back to an innocent place...YEAH...So pierce him with your love, baby
Tattoo him with your heart
Show him how to feel young again
Give him back his sparkYoure dancing with Mr. Daddy
Youre rapping with Mr. Daddy
Youre slamming with Mr. Daddy
Hip-hopping with Mr. Daddy
Youre busting with Mr. DaddyDancing
Rapping
Slamming
Hip-Hopping
BustingYeah
