

# Justified Black Eye

Tony Sly

She was confused and abused in this life  
Emotional and violent moments  
Seemed to take the longest time  
Every single knockout, dragout  
Firght they ever had  
Apologies and dignity denied to lie with  
SUddenly psychotic eyes  
Every night she cried herself to sleep  
She didn't recognize  
Her own face in the mirror  
Black and blue, so afraid  
Intimidation  
Like a child she hides away  
He would always try to justify what wasn't true  
Justified black eye  
Taken for granted, she sleeps by

The phone waiting for a call  
>From him, but it seems he's never coming home  
14 beers later he is there without an answer  
Once again she questions his  
Lies, he goes to bed with  
No reply  
Tomorrow morning, different story  
And he'll be a differenty guy  
He'll justify her black eye  
With another lie  
She packs her bags in great temptation  
He's on his knees, again he cries  
A hug and a kiss and a don't know why  
As a tear drops from her swollen eye  
Apologies until tonight and another  
Justified black eye
