

Can't Believe

Staind

Advisory - the following lyrics contain explicit language:

Respect
Respect what is found
Respect it should be abound
Respect everything that you leave
I can't believe I can't believe
(I can't believe)
Can't believe
(I can't believe) And I, I can't believe
I can't believe all the travesty surrounding me
I want to flee, I want to flee from everything
In front of me I can't believe
(Can't believe)
I can't believe
(I can't believe) Never again, trust in you
Fuck everything that you think I should be
I stand, never again, never again I can't believe
Can't believe
Can't believe
Can't believe
