

# First Date Kit

## Tokyo Police Club

Call it off, keep it in  
Grind it down to medicine  
(Ooh)  
Especially anything  
Keep it in your first date kit  
(Ooh)  
Call it off , keep it in  
Grind it down to medicine  
Especially anything  
Keep it in your first date kit  
'Cause lately I'm a good news guy  
(Yeah)  
'Cause lately I'm a good news guy  
Call her up, she stays in  
Grind down her medicine  
Her specialty's anything  
But, lately she's a first date kit  
Call her up, she stays in  
Grind down her medicine  
Her specialty's anything  
But keep it in, your first date kit  
Ooh, ooh  
Ooh, ooh  
Ooh, ooh  
Ooh, ooh  
'Cause lately I'm a good news guy  
'Cause lately I'm a good news guy  
(Yeah)  
'Cause lately I'm a good news guy  
Call it off, keep it in  
Grind it down to medicine
