# Not 4 Sale

## Sammy Hagar

All the money in the world
Wouldn't change my life or make my life, no
All the money in the world
Couldn't buy my life
I sleep late
Black coffee, burnt toast, some tomato juice
Go online, check my email
A toothbrush and I'm all brand new
Then my guitar starts lookin' at me
I start hummin' this old melody
It sounds familiar, but that's alright
It gets me by, it keeps me high
All the money in the world
Wouldn't change my life or make my life, no
All the money in the world
Couldn't buy my life
Cause my life's not 4 sale
Yeah, I like drivin
Stay up late just lookin at the starts
Believe in God, believe in aliens
UFO's in my backyard
And then the words come flyin out of me
I lay em down to a sweet melody
It sounds familiar but that's alright
It gets me by, it keeps me high
All the money in the world
Wouldn't change my life or make my life, no
All the money in the world
Wouldn't buy my life
Cause my life's not 4 sale
All the money in the world
Yeah, it's not perfect but it's really, really fine
You come on, get some but ya stand in line
It's all I got but I call it mine
Well, my friend's worth a couple million
and he's miserable as any man can be
He no fun, no sense of humor
That ain't the way it's supposed to be
All the money in the world

Wouldn't change my life or make my life, no
All the money in the world
Wouldn't buy my life
Cause my life's not 4 sale
All the money in the world
Wouldn't buy my life or change my life, no
All the money in the world
Ain't gonna buy my life cause
My life's not for sale
All the money in the world
No, my life's not for sale
All the money in the world
Can't buy my life, my life's not for sale
All the money in the world
All the money in the world
All the money in the world
Won't make my life, change my life, buy my life cause
My life's not 4 sale
