

# We Don't Have to Take Our Clothes Off

## Jermaine Stewart

Not a word, from your lips  
You just took for granted that I want to skinny dip.  
A quick hit, that's your game.  
But I'm not a piece of meat, stimulate my brain.

Night is young, so are we.  
Let's get to know each other better, slow & easily.  
Take my hand, let's hit the floor.  
Shake our bodies to the music.  
Maybe then you'll score.

So come on baby, won't you show some class  
Why you want to move so fast.  
We don't have to take our clothes off

To have a good time  
Oh no  
We could dance & party all night  
And drink some cherry wine

Uh huh  
We don't have to take our clothes off  
To have a good time  
Oh no

We could dance and party all night (all night)  
And drink some cherry wine  
Uh huh  
Na na na na na na na

Just slow down if you want me  
A man wants to be approached cool and romantically  
I've got needs  
Just like you

Give me conversation, good  
Vibrations through and through  
So come on baby, won't you show some class  
Why you want to move so fast

We don't have to take our clothes off  
To have a good time  
Oh no  
We could dance and party all night (all night)

And drink some cherry wine  
Uh huh  
Na na na na na na
