

Santa Cruz

Gold Motel

Curtain call on a quick debut.
A long wait from home in Santa Cruz.
Romanticize what will never do.
Paint the color of your Santa Cruz bedroom.

I don't really mind if you don't have the time today.
I don't really care as long as you are there.
Waiting on the calendar page.

Forget it all it's just a sun-drenched dream.
I bet you make a good memory.
I'll come back soon when you least assume.
Oh Santa Cruz.

Quick vignette.
Just what you'd expect.
A long time ago.
Oh Santa Cruz let go.

I don't really mind if you don't have the time today.
I don't really care as long as you are there.
Waiting on the calendar page.

Forget it all it's just a sun-drenched dream.
I bet you make a good memory.
I'll come back soon when you least assume.
Oh Santa Cruz.

Forget it all it's just a sun-drenched dream.
I bet you make a good memory.
I'll come back soon when you least assume.
Oh Santa Cruz.

Forget it all.
Forget it all.
Forget it all it's just a sun-drenched dream.
I bet you make a good memory.
