

# Song For Joel

Kovacs

Can you believe that love  
suddenly found its way back?  
Caught by surprise as you want back  
a new love. Truly amazing how you've been,  
touched by an angel.  
Sheltered by friends, now you've seen  
true love. Now you've seen new love.  
You! You long for one more.  
High! Aye, a new dawn. A new day.  
One day you knew, you found a way  
going from rags to riches.  
A blanket of hope covers you in  
new love. Your body is broken, your eyes shine bright.  
A chance to start all over.  
Get out of the dark into the light,  
you'll find true love. Will you find new love?  
You! You long for one more.  
Aye! Aye, a new dawn. A new day. Go face the sun  
and bloom.  
Reach for the stars, mhh,  
see as the world...  
You! You long for one more.  
Aye! Aye, a new dawn. A new day.  
You! You long for one more!  
High, a new dawn. A new day.  
A new dawn. A new day.  
A new dawn. A new day.
