Honesty

Attack! Attack!

Honesty didn't get me anywhere,
I know cause I read it in your diary,
Take a pinch of salt with every word that I sayGraduate from a no hope academy,
The kind of place that you wish you had never seen,
State the obvious, there's nothing more I can sayAll I want is to feel alive, but I'm dying on the inside,
And I've wasted all my time just waiting...Honesty didn't get me anywhere,
I know cause I read it in your diary,
Take a pinch of salt with every word that I sayGraduate from a no hope academy,
The kind of place that you wish you had never seen,
State the obvious, there's nothing more I can sayAll I want is to feel alive, but I'm dying on the inside,
And I've wasted all my time just waiting on a compromise
All I want is to feel alive, but I'm dying on the inside
And I've wasted all my time just waiting...(Hey, Hey, Hey, Hey)All I want is to feel alive, but I'm dying on the inside,
And I've wasted all my time waiting on a compromise
All I want is to feel alive, but I'm dying on the inside
And I've wasted all my time just waiting...Honesty didn't get me anywhere,
Honesty didn't get me anywhere,
Honesty didn't get me anywhere,
Honesty didn't get me...
Honesty didn't get me anywhere,
Honesty didn't get me anywhere,
Honesty didn't get me anywhere,
Honesty didn't get me anywhere.
