This Is It

Melba Moore

This is it
This time I know its the real thing
And I cant explain what I'm feeling
I'm lost for words
I'm in a daze
Stumped and amazed
By your lovin'waysThis is it
This time I know its the real thing
And I cant explain what I'm feeling
I'm lost for words
I'm in a daze
Stumped and amazed
By your lovin'waysYou smile at me
And suddenly
The wheels of love begin to turn inside of me
We settled low
I felt a glow
Right then and there I knew id never let you go
Cause I know, I knowThis is it
This time I know its the real thing
And I cant explain what I'm feeling
I'm lost for words
I'm in a daze
Stumped and amazed
By your lovin'waysThis is it
This time I know its the real thing
And I cant explain what I'm feeling
I'm lost for words
I'm in a daze
Stumped and amazed
By your lovin'waysThe touch of you
Is something new
Nobody ever made me feel the way you do
It's heavenly
It's ecstasy
The way you make me feel when you make love to me
Can't you see, can't you seeThis is it
This time I know its the real thing
And I cant explain what im feeling

Im lost for words
Im in a daze
Stumped and amazed
By your lovin'waysThis is it
This time I know its the real thing
And I cant explain what im feeling
Im lost for words
Im in a daze
Stumped and amazed
By your lovin'ways
