Come Again

Staind

Motherfuck, you push yourself on me
You force yourself on me
You free yourself through me
You'd better save yourself from meEvery time you want me to be
Something I could never be
You'll just have to wait and see
'Til the next time that you have to come againCome again
This time you will come again
Come againI hate myself for you
I break myself for you
I kill myself for you
I'd better save myself from youEvery time you want me to be
Something you could never be
I guess we'll have to wait and see
'Til the next time that you have to come againCome again
This time you will come again
Come again
Like the ones before youYou will come again
Come again
This time you will come again
Come againIf you have to walk my way
Have something to say
Get the fuck away
Can't take one more dayI cannot conform
I cannot conform
I cannot conform
I cannot conformI cannot conform
I cannot conform
I cannot conformCome again, come again
This time you will come again
Come again
Just like the ones before youYou know you will come again
Come again
This time you will come again
Come againHate me, burn me
Love me, kill me
Hate me, kill me
Kill me, save me
