

# Girls / Girls / Boys

## Panic! at the Disco

I don't wanna hear you've got a boyfriend  
Sometimes you're better off alone  
But if you change your mind, you know where I am  
Yeah if you change your mind, you know  
Where to find me  
'Cause I don't ever wanna be your boyfriend And never did I think that I  
Would be caught in the way you got me  
Push another girl aside and just give in Girls love girls and boys  
Girls love girls and boys  
And never did I think that I  
Would be caught in the way you got me  
But girls love girls and boys  
And love is not a choice Pose, you've gotta save your reputation  
They're close to finding out about your girlfriend  
But if you change your mind, you know where I am  
Yeah if you change your mind, you know  
Where to find me  
'Cause I don't wanna save your reputation And never did I think that I  
Would be caught in the way you got me  
Push another girl aside and just give in Girls love girls and boys  
Girls love girls and boys  
And never did I think that I  
Would be caught in the way you got me  
But girls love girls and boys  
And love is not a choice I am just a villain vying for attention  
From a girl  
A girl who can't decide and here's the reason why Girls love girls and boys  
Girls love girls and boys  
Girls love girls and boys  
Girls love girls and boys  
And never did I think that I  
Would be caught in the way you got me  
But girls love girls and boys  
And love is not a choice
