

Wheelchair Epidemic

The Jesus Lizard

Advisory - the following lyrics contain explicit language:

Hep hep, hep hep, hep hep, hep hep

Your words are broken, you got the flu, that tour of smokin' your times are through
Your body's achin', you need a rest, your body's achin', take a rest I say

 Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep

Hey everybody, you're all fucked up, have you been smoking pot, you're in a rut
Your body's achin', you need a rest, your body's achin', they got arrested say

 Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep

 Hep hep, hep hep, hep hep, hep hep

Your hands are too big, your clothes look plastic, are you stupid, or just a faggot
Your body's achin', you need a rest, your body's achin', they got arrested say

 Ah ah, ah ah, ah ah, hey

Hep hep, hep hep, hep hep, hep hep
