Time After Time

Eva Cassidy

Lying in my bed I hear the clock tick and think of you
Turning in circles confusion is nothing new
Flashback to warm nights almost left behind
Suitcase of memories, time after
Sometimes you picture me, I'm walking too far ahead
You're calling to me, I can't hear what you have said
And you say go slow I've fallen behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you fall I will catch you I'll be waiting
Time after time
Time after time
After your picture fades and darkness has turned to gray
Watching through windows I'm wondering
If you're okay and you say go slow, I've fallen behind
The drum beats out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you fall I will catch you I'll be waiting
Time after time
Time after time
Mmm, time after time
Ooh, time after time
Time after time
