Blind

Silverchair

I need to get out
There's something wrong 'round here
I have no doubt
We're all really down from fearEverything's dark
And I cannot find
What I've been looking for
So I have to say I'm blindBut he cannot see
Yeah, he cannot see he's blind, yeah
I'm blind
I'm blindI'm blind
I'm blindIf you do
Shed a tear
Don't come my place
Because I, I won't be hereThere's no love lost between you and me
And that's the way that I like it
I wanna live life like a normal man
And I think I canBut he cannot see
Yeah, he cannot see he's blind, oh yeah
I'm blind
Yeah, yeah, fuck
