

# Like The Average Stalker

## Soilwork

I think you just forgot to tell me why  
Why I was fading out again  
Why my mask of sanity was slipping off again, my friend  
Beware of hatred when your time stands still Like the average stalker, forge to forgive  
Like the average stalker I'm just sliding, disappear into the night  
Like a strange and a forgotten light  
One, two, three, four and I'm at your door  
Calculating infinity In my silence where no one else can hear  
What is right, what is wrong In my silence where no one else forgives  
Where the sane and insane strikes together as one Like the average stalker, forge to forgive  
Like the average stalker Where is the fire, it makes no sense at all  
I'm just hiding beneath the hour  
Disabled through affliction I can't reach out  
Reach out, reach out In my silence where no one else can hear  
What is right, what is wrong In my silence where no one else forgive  
Where the sane and insane strikes together as one With a violent work of art I proceed  
In this lack of faith I get what I need  
What I need! Like the average stalker, forge to forgive  
Like the average stalker Like a silent talker  
Like the average stalker
