

Meteoright

Futurisk

Well she comes down like a meteorite,
A flash of light in her eyes.
She's got a a task she'll make love at first sight.
She wears a mask She takes it off at night.

Ah ah ah ah ah ah ah ah

Well she told me to hold on tight,
Then she came down like a meteorite.

Ah ah ah ah ah ah ah ah

Well she comes down like a meteorite
It's propaganda, haha, but she says it's alright.
She'll love you blind, she'll throw you out of sight.
She'll lick your mind, then she'll take a bite.

ha ha ha ha ha!

ha ha ha ha hahahaha hahahaha.
