

Solace Of You

Living Colour

When it hurts to be out there
Where no one will care
I've got the solace of youFrustrated by people's lying
But I keep on trying
I've got the solace of youWhen I can't think straight
And there's no escape
I've got the solace of youGotta go inside back where it started
Back to the beginning
'Cause that's where my heart isThey can hurt me, jail my body
I'll still be free
I've got the solace of youThey can take my land
Tell me I'm not who I am
I've got the solace of youA wise man said to know thyself
'Cause in the end there's no one else
Just the solace of youGotta go inside back where it started
Back to the beginning
'Cause that's where my heart isGotta go inside
Back to the beginning
