

# Don't Walk Away

Michael Jackson

Dont walk away  
See i just can't find the right thing to say  
I tried but all my pain gets in the way  
Tell me what I have to do so you'll stay  
Should I get down on my knees and pray

## CHORUS 1

And how can I stop losing you  
How can I begin to say  
When there's nothing left to do but walk away

I close my eyes  
Just to try and see your smile one more time  
But it's been so long now all i go it cry  
Can't we find some love to take this away  
'Cause the pain gets stronger every day

## CHORUS 2

How can I begin again  
How am I to understand  
When there's nothing left to do but walk way

See now why  
All my dreams been broken  
I don't know where we're going  
Everything we said and all we done now  
Don't let go, I don't wanna walk away

If you go, i won't forget you girl  
an't you see that you will always be  
Even though I had to let you go  
There's nothing left to do  
Don't walk way
