Earth Day

Devin Townsend

Eat your beets, recycle...recycle...
Don't eat your beets, recycle...recycleThe message is; 'THERE IS NO MESSAGE'Babe, you better not ever think,
Staring into the drink...get out of my mind...
Cause I may not be the one to say,
is there no other way we could do this another day?I saw God.She said...'If you don't believe me, guaranteed you'll never leave me'
On your way, and out of my time
But I didn't even know if it was true or just a result of chemicalsShut up and think of something more important to say...
'Sometimes I think that in every straight there's a gay!' Something or nothing a whole either way it's a way,
it's a way, it's a way, it's a way, it's a way
EARTH DAY, EARTH DAY, EARTH DAY, EARTH DAY
it's a way, it's a way, it's a way, it's a way
EARTH DAY, EARTH DAY, EARTH DAY, EARTH DAYIt's like your birthday, it's on Earth Day,
Like a child you're born again, little child you're bored again...
It's your worst fucking day, it's on Earth Day...
Little lies to cover up...please make your mind up(Eat your beets, Recycle...recycle...)
(...Don't eat your beets, recycle...recycle)Man Overboard (I'm so far away)
Man overboard (I'm so far...)
But fuck it! ...I really don't care
Fuck! Listen to me! Just shut the fuck up!Peace, Love, Joy
Man overboard (I'm so far...)
Hate, hell, war
Hate, love, love, hate, love, hate...destruction!So just shut your face and take a seat
Because after all, you're just talking meat...and music?
Well, it's just entertainment folks.Sometimes I think that I really have something moreto say...
'Sometimes I think that in every straight there's a gay!' ...forgive me for saying it blows either way, it's a way,
it's a way, it's a way, it's a way, it's a way...It's your birthday, it's on Earth Day,
Like a child you're born again, little child you're cold again...
It's your worst fucking day, it's on Earth Day
Little child your time is up...please turn the heat upYou need your beets, you recycle...
...Don't eat your beets...recycle...Man overboard...I'm so far away...
