## Empire Cast

Tell the truth  
Tell the truth  
Tell the truth Everyone has a closet  
In the night, they wear disguises  
In the dark, they hide from the truth  
In the end, they lie to you Chorus:  
One day the skeletons are gonna come out  
One day the elephant in the room will make a sound  
Watch out for lions and tigers and bears  
It's bout to hit the fan, better beware Tell the truth  
Tell the truth  
Tell the truth  
Tell the truth Tell her why you lie for no reason  
They point fingers and bite the hand that feeds them  
Help em', Lord for they know not what they do  
Swear to God they know better than you Chorus:  
One day the skeletons are gonna come out  
One day the elephant in the room will make a sound  
Watch out for lions and tigers and bears  
It's bout to hit the fan, better beware Tell the truth  
Tell the truth  
Tell the truth  
Tell the truth The closest people to you, you can't trust  
Your family hurts you more than your friend does  
There ain't no where to hide, nowhere to go  
You better watch ...
