

3 Speed

Eels

Got a three speed and banana seat
Sittin' back on the Sissy bar
Went to Sev and got a drink
Wish I was drivin' in Daddy's car And I looked up at the sky, last night
And I thought I saw a bomb
And why won't you just tell me
What's goin' on? Ridin' down on Springhill road
Meetin' Alfred out in the woods
Dogs bark and mosquitos bite
Scratchin' the itch that makes it feel good And I looked into the mirror last night
All I saw was a pretty blonde
And why won't you just tell me
What's goin' on? Life is funny, but not ha ha funny
Peculiar I guess
You think I got it all goin' my way
Then why am I such a fuckin' mess? Want a pony and a birthday cake
Want a party with a scary clown
Kneel down and bow to the princess
Kneel down for the Queen of the town And I looked up at the sky last night
And I thought I saw a bomb
And why won't you just tell me
What's goin' on? Tell me what's goin' on
