

Cant Let Go

[Adele](#)

[Verse 1]

When did it go wrong, I will never know
I have loved you all my life
How did it slow down, I go round and round
Thinking about it all the time[Pre-Chorus]
I gave you heaven on a platter baby
I gave you everything you never gave me
I never lied and I never faked it
Only wanted for you to save me
This love, it ain't over yet

There's too much that I haven't said[Chorus]

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write, had a lump in my throat
Do you even know that I can't let go[Verse 2]

Why were you so cold, let the truth be told
Tell me was it all for the thrill?
What was I thinking, I gave you everything
But you still went for the kill[Pre-Chorus]
I gave you heaven on a platter baby
I gave you everything you never gave me
I never lied and I never faked it
Only wanted for you to save me[Chorus]

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write, had a lump in my throat
Do you even know that I can't let go[Bridge]
Oooh sometimes I feel like I'm in the dark
Oooh I thought I'd die in your arms[Chorus]

Did you find the note that I wrote?
I hid it in the seam of your coat
It was hard to write, I had a lump in my throat
Do you even know that I can't let go[Outro]
Hope you know, I won't let go
