

# My Own Way

## Honor Society

Having trouble to believe  
I was ever on your mind  
It's getting harder just to breathe  
Cuz you left my heart on the battle lines  
You played the game, you called the shots  
To get what you want, but is not enough  
So I come to you, with a broken heart  
So before I go, gotta let you know

That you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well you never did care enough about me anyway  
Left my heart on the floor now you know  
Gotta go my own way I can't stay  
My own way oooh  
I can't stay oooh  
My own way

It's gettin' harder to believe that you were ever on my mind  
It took a while for me to see  
Now I know that you were lying'  
Well I played your game for long enough  
I took all the shots in the end you lost  
Guess you and me wasn't destiny  
From the start wasn't meant to be

That you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well you never did care enough about me anyway  
Left my heart on the floor now you know  
Gotta go my own way  
I can't stay, my own way

Gave you everything but nothing's ever good enough  
I tried to be? the one that you could call  
The one you can trust  
But your games have all been played  
And there's nothing left to say  
You shut the door  
Cause you have overstayed your welcome girl

Don't call me back cause you know that I'll keep going' on  
I'm telling you I'm gone  
I'm telling you

That you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well you never did care enough about me anyway  
Left my heart on the floor  
Now you know gotta go my own way  
I can't stay, my own way  
I can't stay, my own way  
Don't come back no more  
My own way
