

Hot to Death

Everlast

We're gonna be breakin' it down (Yeah!)

You gotta know the feel

You gotta know the life

You know what I'm sayin' (Hey!) I said what's goin' wrong

You know it just ain't right

Tell me who be loud

When the spark ignite

Now from the break daylight

To the fall of the sun

You gotta pick your fight

It's time to choose your gun

Chorus:

Front to back

Right to left

Keep it live all night

Make it hot to death

Get your heart pumpin' like some crystal meth

Keep it live all night

Make it hot to death

Well...

Hey... Tell me who's your God

Does he make a lotta dough

I'm gonna take you higher

Or to the fire below

Chorus

Guns to roses

Abraham to Moses

Daylight exposes what the night conceals

Let's break these seals

And get this thing started

Some be out classed

Some be out smarted

Some be over bound by the blindin' rays

I hear the whisper in the night

Get trapped in the maze

See back in the days

When I was juvenile

I dreamed of rockin' on the mic

In a brand new style

Now I'm shakin' these bones

Tryin' to get these shoes

Outbided major crews

I'm paid crazy dues

Now I'm speakin' on you
They just slept on me
And rumors start spreadin'
Just like a disease
I'll have you down on your knees
Below the spot ground zero
Turn brown and burn down Rome just like Nero
A hero ain't nothing but a
Don't make me say it again
Legend
Don't make me say itChorusThat's what I'm sayin (2x)
