Unstoppable

Angie Rose

Records on the wall will they ever fall?
It's not just a possibility
You reign on top, Yeah it's officially
So, what are you leaving when you go
Cause yo, these memories continue even when you're gone
I'll carve his name on their hearts
Legacy of mine, I'm chilling in your thoughts
Stories that they tell
They gonna tell them
From the mountain-tops
I'ma keep climbing till I hit the rock
Feel like a young moses and his rod
Let's lead them out of Egypt
Follow in the fire, I can fly just like a phoenix
We Are
Let them know
Everything they looking for
I'm UNSTOPPABLE (REPEAT X3)
Yeah
Bottom to the top, top to the bottom
I promise not to leave like the leaves do in autumn
When he falls upon us
We spring up like the flowers
Been avoiding may weather, still I'm fighting through the showers
I see my FATHER cry
He never told me why
But now I get it, there's a fire burning deep inside
Devil thought it'd be extinguished through the pain
But if we're meant to go from suffering then I'm screaming let it rain
Water falls but the sun shines still
And if we lose it all, I know it's not our deal
I know my dreams was never differed
Cause I'd been dreaming of the day that I'd encounter the words
Well done
You did it well
You stood tall
Although sometimes you fell
So when I say I'm feeling UNSTOPPABLE
Cause I serve a GOD who turns impossible to possible

I'm UNSTOPPABLE (repeat x3)
Yeah
Yeah I'm feeling UNSTOPPABLE (repeat x4)
I'm UNSTOPPABLE (repeat x4)
Like I can't lose
Feeling UNSTOPPABLE
Like I can't lose
Feeling UNSTOPPABLE
Like I can't lose
Feeling UNSTOPPABLE
Like I can' lose
