

Night Owls Early Birds (Demo)

Foxes

Do the walk of shame in your best dress
Put your hands in the air
Even though I'm still sleeping
Paint the roads on these wall
Just to feel like I'm going place
Join the rest of the world
In the dome of the new morningStrange eyes wandering
The night has come
We're all under the ground
Can't be foundNight owls early birds
Wide-eyed looking like you're on a curse
Save me, save me, go underneath the ground
Wild fires army birds
Swaying a little like I'm wet for words
Save me, save me, go underneath the groundLet the young hearts fool around, break away
They make mistakes and live for them
Let the fire in the city burn
Wanna feel, feel the embers warmingStrange eyes wandering
The night has come
We're all under the ground
Can't be foundNight owls early birds
Wide-eyed looking like you're on a curse
Save me, save me, go underneath the ground
Wild fires army birds
Swaying a little like I'm wet for words
Save me, save me, go underneath the groundOoh, ooh ooh ooh
Ooh, ooh ooh ooh
Ooh, ooh ooh ooh, oohStrange eyes wandering
The night has come
We're all under the ground
Can't be foundNight owls early birds
Wide-eyed looking like you're on a curse
Save me, save me, go underneath the ground
Wild fires army birds
Swaying a little like I'm wet for words
Save me, save me, go underneath the groundOoh, ooh ooh ooh
Ooh, ooh ooh ooh
Ooh, ooh ooh ooh
